Government Order No.G.4232-300\Sany.44-26-11 dated 23-10-1927 sanctioning the distribution of M.I.Grant for 1927-28.		Recorded with the observation that the allotment to this Dist for wells and road is inadequate considering the extent of the Malnad area here.
(b) Memo.No.G.227 I.B.1927-28 dated 9th December 1927 from the President District Board re allotment of the grant for road-works.		Recorded.
Letter dated 2nd June 1927 from the District Health Officer,Shimoga, forwarding a list of subjects for discussion at the meeting.		
(1) Selection of site for burning manure in each village.	Subject.	Resolution. Specific proposals may be sent to Amildars for necessary action.
2) Jungle clearing for at least 0 yards around the village.		This concession has been freely allowed in the Malnad but it has to be availed of
3) The banks of irrigation annels to be kept free from weeds.		This is a scheme which the ryot himself should atten to. Propagandist work among the ryot population should be carried on in this connection
4) Water tidiness.		This proposition will be referred back to D.H.O for suggesting specific measures for securing the proposed effects.
5) Closing draining or periodically treating with Kerosine all stagnations of water where Mala-ria larve breed.		The Health Officer will prepare pamphlets for distribution among village Panchayets and literate ryots.

4

6) Introduction of larvicidal fish into water sources, breeding Malarial larve	As above.
7) Planting in swamy ptracts, Eucaliptus, Baje and other water absorbing plants.	As above.
8) As an incentive for good vaccination work, sanctioning annually a remuneration for at least three vaccinators in the District, who conduct an appreciable larger number over their prescribed minimum.	May be deferred for the present.
9) Legislating that newly shifted villages or extensions formed, should be on approved sanitary plans.	The village Panchayets Regulation provides for th and we will have to watch its operation for some tim
10) Affording additional Medical relief during the months of September, October, November, December in recognised unhealthy areas or where mortality is found to be high.	This is necessary and has to be arranged for as necessity arises. This is being no attended to by the District Medical Officer.
11) To lessen the foci of Malarial infection enacting, in places where there are dispensaries, the compulsory treatment of children with enlarged spleen.	The proposal is ~~to be~~ beset with practical difficulties but the experiment may be tried with advantage in the case of school children
12) Intertainment of Saniatry Inspectors for enforcing Saniatary Rules.	Definite proposals may be awaited from the Health Officer.
11. Memo No. C.215/L.B.27-28 dated 25th November 1927, from the President, District Board, calling for proposals of the M.I.Committee in the matter of conversion of certain M.I.Dispensaries into regular L.F.Dispensaries.	Agreeing with the views of the District Medical Officer, the Committee are of opinion that the dispensaries at Agumbe and Devangi (Hulikere) may be made permanent and regards the conversion of these dispensaries into L.F.Dispensaries, this is a matter for the District Board to decide (with reference to its financial position).
12. Government Order No.G.3139-45 Sen.14-27-17 dated 20-1-1928 fixing the money limit up to which estimates for malnad Improvement works may be sanctioned by the Deputy Commissioner, the Malnad Improvement Committee and the Govt.	Recorded.
